  - Team Hambirrao Mohite- 3500 Points
  - Team Bajiprabhu Deshpande- 3500 Points
  - Team Netaji Palkar- 3500 Points
  - Team Prataprao Gujar- 3500 Points
  - Team Jiva Mahala- 5000 Points
5. The players not sold in Pre-auction trade will enter Table Auction with a starting base price of 200 Points.
6. Every team has to compulsory buy in total 10 players out of that 3 shall be boys and 7 shall be girls.
7. Teacher team leaders can take 3 players from their team to participate in the auction. These players can be interchanged during the whole auction without any limits.
8. All table auction players will have a base price of 200 points each
9. The bids will increase by 10 points till the 500 points, by 25 points till 1000 points and by 100 points after 1000 points till the end.
10. All team must complete their trading of 10 players in 5000 points only. If any team surpasses the limit of 5000 points, the fractional points will be deducted from the grand total points. **Eg.** If any team surpasses 200 points, then 0.2 points will be deducted from the grand total of points.
11. Any team can bid for any player from the auction list.
12. Any team can participate and take exit in bidding at any point of time except if the last bid is by team for one player.
13. The remaining points will be added fractionally in the grand total. For Eg. If any team completed their trading, in 3500 points 1.5 will be added in the grand total.
14. Once sold, the player will not be taken back.
15. Any unsold player will be auctioned again for one time. If again remains unsold, the player will be auto allotted in the final of the table auction to the team which has a smaller number of girls or boys.
16. Players will be displayed on a display without any order during the auction.
17. All players traded in auction will have to play from the team same team which have bided for them.
