NURSING ADVISORY COMMITTEE

The Nursing Advisory Committee includes nursing representatives from Management and Teaching staff that the SASCTK's, Institute of Nursing, Kasal partners with in achieving its mission and strategic goals. The committee meets biannually and serves as a strategic, action-oriented body sharing information and providing recommendations to ensure that SASCTK's, Institute of Nursing, Kasal remains a leader in nursing education.

THE PURPOSE OF THE ADVISORY COMMITTEE

Workforce education programs at SASCTK's, Institute of Nursing, Kasal are a vital part of both the college and the community. Since these programs are designed to prepare students for employment and continuous learning in rapidly changing business, human service and technical environments, it is essential that the college establishes and maintains partnerships with knowledgeable individuals and employers in the local community. The success of workforce education programs depends, to a large extent, upon the activity and involvement of advisory committees.

MEETING

Meeting to be held biannually for the planning of academic year.

THE FUNCTIONS OF THE ADVISORY COMMITTEE

Each advisory committee has unique functions and responsibilities characteristic of the designated program or topic. However, the following general statements apply to all advisory committees:

- Evaluating the goals and objectives of the program curriculum.
- Establishing workplace competencies for the program occupation(s).
- Suggesting program revisions as needed.
- Evaluating the adequacy of existing college facilities and equipment.
- Advising college personnel on the selection and acquisition of new equipment.
- Identifying local business/industry leaders who will provide students with external learning experiences, employment and placement opportunities.
- Assisting in the professional development of the faculty.
- Assisting in promoting and publicizing the program to the community and to business and industry.
- Representing the needs of students from special populations.
